Concerned about your child's development? Join us for ...

Free Developmental Screenings at Encompass Issaquah!

Do you have questions about the development of your infant, toddler, preschooler or kindergartener?

Take part in a **FREE** Developmental Screening. Walk in with your child anytime between **9:30 and 11 a.m. on Tuesdays, Jan. 10 and Feb. 14, 2012**, at Encompass Issaquah in Blakely Hall – first-come, first-served, no appointment necessary!

Through a parent report questionnaire, Encompass will screen children from **age 3 months to 5 years old**. Screenings will take just 10 minutes per child.

Results will be available immediately. Parents will come away with a list of recommendations regarding motor, speech, self-help, social and cognitive skills.

This is a prime opportunity to learn more about your child from the Encompass multi-disciplinary team of therapists and other staff experts.

Free Developmental Screenings

9:30 to 11 a.m. Tuesdays this winter:

Jan. 10 and Feb. 14, 2012

Blakely Hall, 2500 N.E. Park Drive, Issaquah Highlands
